CERTIFICATE OF INSURANCE

effected through **AXIS UNDERWRITING SERVICES Pty Ltd ('Axis')**

This Certificate of Insurance confirms that in return for payment of the Premium shown in the Schedule, Certain Underwriters at Lloyd's and HDI Global Specialty SE – Australia ('HDI') (ABN: 55 490 279 016) ('the Insurers') have agreed to Indemnify the Insured, in accordance with the wording attached to the Certificate.

In accepting this insurance, the Insurers have relied on the information and statements that you have provided on the Proposal Form. You should read this Certificate, Schedule and policy wording carefully and if it is not correct contact Axis. It is an important document and You should keep it in a safe place with all other papers relating to this insurance.

SEVERAL LIABILITY CLAUSE

The liability of an insurer under this contract is several and not joint with other insurers party to this contract.

An insurer is liable only for the proportion of liability it has underwritten. An insurer is not jointly liable for the proportion of liability underwritten by any other insurer. Nor is an insurer otherwise responsible for any liability of any other insurer that may underwrite this contract.

The proportion of liability under this contract underwritten by an insurer (or, in the case of a Lloyd's syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) is shown in this contract.

In the case of a Lloyd's syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member's proportion. A member is not jointly liable for any other member's proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract.

You or Your representative can obtain further details of the syndicate numbers and the proportions of this insurance for which each of the Underwriters at Lloyd's or HDI is liable by requesting them from Axis.

Although reference is made at various points in this clause to "this contract" in the singular, where the circumstances so require this should be read as a reference to contracts in the plural.

GENERAL INSURANCE CODE OF PRACTICE

This Certificate is Insurance Council of Australia's General Insurance Code of Practice compliant, apart from any claims adjusted outside Australia. The Insurers proudly support the General Insurance Code of Practice. The purpose of the Code is to raise standards and service in the general insurance industry.

GENERAL CONDITIONS

CANCELLING YOUR POLICY

You may cancel this policy at any time. Your request must be in writing. If You do not specify the date of cancellation, We will cancel Your Policy from the day that We receive Your request. We will refund to You the premium in proportion to the unexpired period of cover less Our cancellation charge. We may only cancel this policy according to The Insurance Contracts Act 1984. If We do cancel Your policy We will refund the premium for the unexpired period of cover.

Please note:

Once We have paid a total loss claim for an item, cover stops for that item. In such case there will be no refund of premium for that item. This is because We will have met Our obligation under the contract by paying Your claim. This applies even if We can make a recovery from another party.

IF YOU ARE COVERED BY ANOTHER POLICY

When there is a claim You must tell Us if there is any other insurance policy that may give full or partial cover for the event claimed.

IF YOU ARE UNDERINSURED

Some policies require You to contribute to a loss if Your Sum Insured is less than 80% of the value of the property. This policy does not.
